

# Falkirk

**The Falkirk Index System  
is generating the largest  
private genetic client base  
in the Tri-Nations.**

**Principal Director ~ Ian Walsh**

Falkirk is the unconditional prime systems advocate to move the sheep and beef industry to a true marketing environment for specified product through the conduit of value based payment systems.

## CONGRATULATIONS

To Falkirk clients Bernie and Grant Weller of Waimea Valley, Southland as the Supreme winners of the "Inaugural New Zealand Environment Farm Award"

This prestigious showcase for excellence in agriculture is judged on environmental, business and social considerations and the ability for the entrants to possess the knowledge and acumen to be ambassadors for New Zealand agriculture.

The Wellers strength in every category inclusive of meticulous attention to a reasoned business plan and individually portraying an astute and personable approach to their goals was evident. Bernie and Grant highlighted the X factor that is required to lead in their role as industry Ambassadors nationally and internationally.

### FARM PERFORMANCE STANDOUTS

- No 1 for livestock/environment interface.
- Top 2% for Alliance yield grading.
- Top 2% for Falkirk genetic excellence.
- Top 5% for price retrieval for wool.
- 3 year National winner for NZ Texel Meat Yield Award.
- 4 year Falkirk genetic selection discipline with flock and herd to define the optimal animal that delivers outstanding livestock performance and high quality product to market specification.
- Outstanding farm and business management practices.

**Congratulations from the FALKIRK team.**

#### Attention Farmers

- Farm only elite or high standard animals.
- Prepare your ram and bull teams for new season genetic and financial gain.
- Maternal trait focus.
- Custom prepared plans for flock and herd.
- Referral of reliable genetics is a speciality.
- Stimulate your genetics to work for you.
